RE: Baldwin v. Astrue
07 Civ 6958 (RJH)(MDD)

Dear Magistrate Dolinger:

I am writing to request a second extension of time to file plaintiff's motion for judgment on the pleadings. Last week Your Honor granted plaintiff's request to extend his time until today. Unfortunately I am unable to complete these papers as anticipated and with the consent of counsel for the defendant request permission to file these papers by May 7, 2008. Counsel for the defendant asks that her time to file a reply be extended to June 9, 2008. Plaintiff requests permission to file a reply by June 25, 2008.

Thank you for your attention to this matter.

Very truly yours,

Christopher J. Bowes
